

**HSP Professionals Involved in Projects:** Rob Hunden

**Time of Service:** 2001 – Present

- **Hofbrauhäus and Aquarium, Newport.** Mr. Hunden completed feasibility and incentive review studies for the Hofbrauhäus entertainment restaurant and the expansion of the Newport Aquarium.
- **4<sup>th</sup> Street Live!** Mr. Hunden conducted the review of the developer request for incentives for this \$75 million redevelopment of the Galleria downtown Louisville.
- **Galt House Convention Hotel Renovation, Louisville.** Mr. Hunden evaluated the feasibility of renovating the historic 1,300-room Galt House Hotel.

## Kentucky Multiple Impact Studies

*Kentucky*

- **KY International Convention Center Expansion & Arena Hotel Feasibility, Louisville.** This HSP study analyzed the expansion of the Convention Center and a proposed 425-room hotel to be built alongside a 22,000-seat downtown arena.
- **21C Museum Hotel, Louisville, Kentucky.** Feasibility and incentive review for a 90-room boutique hotel that houses a modern art exhibit and art-restaurant.
- **Hilton Garden Inn at the Kentucky Fair & Expo Center, Louisville.** Feasibility study and incentive review for a 210-room hotel at the KFEC.
- **Westin Resort at the Kentucky Horse Park, Lexington** Mr. Hunden was the primary consultant evaluating a new state-of-the-art arena and a hotel-resort-conference center on the site of the proposed 2010 World Equestrian Games.
- **Louisville Underground.** HSP conducted a feasibility of a tourist attraction to be created from a large underground cavern. Include a tour, shop and exhibits.
- **Horse Walk of Fame.** Analyzed the feasibility of this tourism project in Versailles, Kentucky.
- **Kentucky Speedway.** HSP evaluated the Speedway's impact to the Commonwealth of a proposed expansion to attract the NASCAR Sprint Cup.
- **Ark Encounter Theme Park.** Evaluated the business plan, reviewed the proposed incentives and projected the economic impact of the proposed 800-acre Biblical themed park.
